Just stop by City Hall & pick them up.

Did you have problems
paying your gas bill this
winter?

Join the budget conscious, by enrolling in budget billing.

This plan takes an average of gas usage and evenly spreads it over the 12 months. This eliminates the high gas costs in the cold months and around the holidays.

If you are not already on the budget payment plan and would like to be, contact City Hall at 834-2691 or stop in.

Current budget customers will automatically be continued on the even pay plan unless they request to be off.

Are you: Planting trees? Digging? Or Trenching for a project this spring?

If so call Iowa One Call if you are planning to plant or remove trees, dig, or trench. Iowa Law states you must give Iowa One Call at least 48 hours in advance of your digging in order to minimize the risk of damaging any underground facilities.

This is done by calling Iowa One Call (toll free) at 800/292-8989 or now you can just dial 811.

It's Free, it's easy,
it's the law, so please call.

Library News

By Sharon Maaland

New Books

Max by James Patterson
The Associate by John Grisham
One Day at A Time by Danielle Steel
Take One by Karen Kingsbury
Lavender Morning by Jude Deveraux
The Great Eight by Scott Hamilton

These are just a few of the new books we have added recently to our collection. There are also many new children's titles, some dealing with topics such as the loss of a pet or a loved one, or a visit to the hospital, and others just for fun.

Summer Reading Program: "Be Creative"

We will be doing lots of fun projects, dates will be posted in the newspaper and on the local Evertex channel as soon as they are finalized.

No charge for small amount of lumber bundles less than 50# & 6 foot max length. No charge for carpet bundles less than 50# and 6 foot maximum length.

Utilize these days to beautify your neighborhood in preparation for our celebration.

Go Green by recycling old items on Monday, May 4th . Set out items that you no longer want but could be useful to someone else. Residents are welcome to take these discarded items for their personal use. On Tuesday, May 5th you may discard any other items not set out on Monday. Our garbage service will be out that day to pick the items up.

All large items set out on Tuesday will need to have a pre-purchased tag from City Hall. If you need help moving items to the curb, from your front door, please call city hall. We will also assist those needing help getting Yard Waste to the dump. Call 834-2691 to make arrangements.

Remember..... One Man's Trash is Another's One's Treasure! These two days will be the only City organized clean up days before the Quasquicentennial. Please help to make our town the best it can be.
