

Everly's City Wide Clean-Up!

Monday, April 30th

BEGGARS NIGHT! Set your unwanted "stuff" at the road side for anyone to go through. Let others turn your trash into treasure!

Tuesday, May 1st

Make sure your tags are on your items at the curb and they will be hauled away for you!

The normal can limit will be waived for the day.

If you need special assistance in getting larger items from the door to the curb on Monday, call City Hall and we can arrange for someone to help you.

\$10 - Stuffed Furniture, mattresses & box springs (\$10 ea), TV's <24 in
\$15- TV's >24 in, console, big screens
\$5- White goods (washers, dryers, dish washers, water heaters, freezers, refrigerators, computer parts)

- **Automotive products** - These products include antifreeze, brake fluid, cleaners, degreasers, fuels, lead-acid batteries, oil, oil filters, waxes and windshield washer fluid.
- **Batteries** - Rechargeable batteries such as Ni-Cad, Ni-Mh, Lithium and automotive batteries. Remember: If it's RECHARGEABLE, it's RECYCLABLE!
- **Cleaning Products** - These include polishes, drain cleaners, oven cleaners, stain removers, rug/upholstery cleaners, etc.
- **Fluorescent bulbs/compact fluorescent bulbs** - These contain mercury vapor and should be handled with care.
- **Mercury containing devices** - such as fever thermometers, thermostats, mercury switches.
- **Propane Cylinders** - Small propane cylinders are accepted. Cylinders larger than 20 pound size are accepted on a case-by-case basis.
- **Solvents** - such as paint stripper and paint thinner.
- **Waste Paint** - Oil based paints are free, there is a \$1 per gallon for Latex.
- **Pesticides (bug and weed killers)** - The best way to dispose of a small amount of these products is to use it. DO NOT use banned pesticides; instead, bring them to the RCC for proper disposal. Some examples of banned pesticides are:
 - Aldrin
 - Chlordane
 - DDT
 - Dieldrin
 - Dursban
 - Silvex
 - 2,4,5-T
