Replacement _____ Lineal Feet: _____ 48" _____ 60" _____ sidewalk

New Construction _____ Lineal Feet: _____ 48" _____ 60" _____ sidewalk

The homeowner will be reimbursed for 50% of the concrete, based on the actual volume of concrete calculated to be used on project, minus sales tax, and will not be reimbursed for overage or special redi-mix charges.

CHECK HERE

If you choose to have the costs for the complete project assessed by special assessment to this property, the City will hire a qualified contractor to complete the project.

If this application is for funds to replace sidewalk or portion of sidewalk, rather than new construction, The Director will utilize the Everly Sidewalk evaluation forms to determine eligibility.
